Letter from the Directors

Dear Parent,

Thank you for taking a moment to find out about Canaan and our summer program offerings. Here at Canaan our highest priority is to provide a safe and positive environment for your child this summer. Our commitment to you is to ensure that your child is given every opportunity to learn, grow and excel and have a lot of fun in the experience!

As a faith-based non-profit organization, we operate at the highest standard and are held accountable by our Board of Trustees. Our programs, policies and procedures concerning staff, transportation and risk-assessment are all designed and operate at ACA (American Camping Association) and CCCA (Christian Camp & Conference Association) standards.

Our approach to caring for your kids is shaped by our vision and values- giving each child the resources he or she needs to grow and develop into the person God has made them to be. We believe in the fundamental value and purpose of building lasting relationships with each of our campers and that relationship begins with you... the parent. Thank you for this opportunity!

Sincerely,

Nick & Tiffany Wimmer

1.1 Organizational Overview

What is Canaan? We're glad you asked! Canaan is established as a resource for families and students within York County and the greater Charlotte area. Recognized by the IRS as a 501(c)(3) non-profit entity and incorporated in the state of South Carolina in April 2004, Canaan is governed by a Board of Trustees and managed by co-directors, Nick & Tiffany Wimmer.

Located on a 100-acre island in the Catawba River basin, Canaan is an ideal place for adventure, education and lasting experience.

Our primary service to families is through our programs, which include: summer camps, retreats/day events and adventures. Our summer camp programs began in 2005 with a two-week day camp. In 2009 we expanded to a ten-week day camp at the completion of our Phase I facilities. In 2010 we continued our day program and made the addition of three-week of Overnight Camp for ages (9-13). 2011 marks our third-year of full-summer camp offerings and the introduction of a Teen Adventure Camp for ages 14-16. Throughout the school year Canaan provides a variety of age-specific adventure and educational programs for area elementary, middle and high school groups and homeschool networks throughout York and Mecklenburg County.

We also facilitate day events and retreat programs throughout the year with complete meal and lodging options for area churches, scout groups, businesses and family reunions. We desire for people that cross the bridge onto the camp property to have an experience that makes a lasting impact in their life.

1.2 Mission/ Vision Statements

Camp Canaan seeks to help others discover their purpose, find hope and grow in a community of faith.

Our mission is to engage people in an innovative but simple way through the environments of summer camps, retreats and adventure programs.

1.3 Philosophy of Service

Here at Canaan we believe that a summer camp experience can be one of the most influential experiences in a young person's life. We seek to create a positive environment where campers can grow, serve and develop incredible relational and life skills that will ultimately help shape who they are. Each person has been created for a unique and specific purpose. It is our desire for campers to discover their purpose, gifts and talents that they have been given to them and how to use those gifts to serve God and others.

Creating that positive environment for a child to be challenged, grow and have fun is a delicate process that we don't take lightly. We spend 2/3rds of the year planning and preparing every facet of the summer so that children are given every opportunity during their time at camp. Our counselor to child ratio is 12:1 and each of our staff and volunteers serve with a loving, hands-on approach.

1.4 Directors & Counselors

Canaan was founded by Executive Directors Nick & Tiffany Wimmer. The Summer Director is David McGrath, Matt Harper is Program Director and Clay Neal serves as the Operations Director.

Summer Counselor positions are highly competitive and are chosen with a great deal of scrutiny. Minimum age for counselors is 17 and a Lead counselor is 21. All staff is required to go through background checks and drug testing in accordance with SC employment procedures. Additionally, counselors go through an intensive week-long training program prior to the summer and are certified in First-aid/ CPR and specialized adventure programs.

2.4 CIT (Camper-In-Training) Leadership Program

Our CIT program is an exhilarating leadership program that perfectly blends all the elements of camp life from administrative jobs and maintenance around the camp to leading groups and playing games with the campers. Open to ages 14-16, the program is designed to grow the skills and knowledge base of students looking to pursue careers/opportunities in education, camping, counseling, property management, the pastorate or any other form of leadership.

The program is a commitment of 4 weeks out of the summer and costs \$100 per week. Bootcamp is Week 1 (June 6-10) and every CIT is required to attend. Then parents may choose which additional three weeks they would prefer their child to attend. Camp Canaan will determine what weeks need to be filled and will schedule CIT's based as closely as possible to what their preference is. If you choose to attend during one of the Teen Adventure Camp weeks, please note that they will not be working with their peers but will be assigned to one of the "Day Camp" groups.

Parents can elect and prepay for an amount per week (and even specify each day) that the camper can use at Canteen and we will keep track of their debit amount.

3.1 Arrival and Pick-Up Procedures

Each morning you will be greeted by a staff member with an i.d. badge who will direct you to either park and walk your child inside (all new campers) or drive through our drop-off line. Attendance checklists are kept each day to maintain a current record for each camper. **We ask that campers arrive no later than 8:30am and are picked up no earlier than 4:30pm.** If you and your child are prevented from coming to camp on time, are planning on meeting up with us later in the day or if you need to pick up early please notify us in advance by calling the main office or sending an e-mail to info@campcanaan.org.

- Pick-up procedures are very important. **Please fill out the appropriate Pick-Up Permission form available in this packet.** We reserve the right to deny access to a camper to anyone who is not listed on the Pick-Up Permission Form or someone who has not been approved by the parent/guardian. We also reserve the right to i.d. anyone who is picking up a child, even those listed on the form.
- Our Charlotte shuttle will pick up each morning at 7:30 and drop off each evening at 5:45. We will use the Harris Teeter parking lot off of Audrey Kell and Johnston Road as our meeting place. It is an additional \$15 per week/per child to use this resource.

3.3 Visitation & Correspondence

Visitation for parents within a given day or overnight is always welcome but we ask for a phone call before arrival and that you would minimize your stay to 30 minutes or less. We believe that part of the growing experience for young campers is to develop a healthy independence from their parents and also that this would be reciprocated so the parents would develop a healthy independence from their child. Plus, you wouldn't want to ruin the amazing stories that they will share at dinner-time!

Overnight and Teen Campers can receive mail during their camp week and love to open letters and surprise packages. Because we keep manageable numbers it's easy to correspond- simply mail to our main address above and put C/O and your child's name and we'll take it from there.

Camp Canaan does not permit campers to make or receive phone calls. Especially when campers are homesick, we have found that calls from home prolong the camper's adjustment to camp life. If an emergency situation arises at home we ask that parents contact the main office. One of our directors will gladly assist you and your camper in every situation!

3.4 Volunteers

Camp Canaan is an organization powered by the time, resources and expertise given by our volunteers. All of our volunteers go through an application and interview process before being able to work within our programs. They seek to enforce and support the vision of Camp Canaan and the rules that we abide by. At no time can any volunteer be left alone with a group of campers. If you or someone you know is interested in volunteering with our summer programs or throughout the year, please contact us and we will send them the appropriate information.

3.5 Transportation

Though most of our weekly activities occur on site at the camp, we do travel off-site for various field trips. Each camper will be notified of bus rules and regulations before departure from camp. All of our drivers are licensed CDL- commercial drivers.

Field Trips

Field trips typically occur in a public place (i.e. a park, restaurant, skating rink, etc.). We take extra precaution in keeping regular head counts on all campers and enforce a strict "Buddy System" whenever we are out.

Our trip outings are age-specific and allow the campers to experience a variety of activities in the area. All trips are located within 30 minutes of camp with the exception of the Teen Adventure campouts which are located 2 hours away.

Trips for Ages 6-8 include: Bowling, Plaza Fiesta, Blueberry picking, Children's Museum

Trips for Ages 9-16 include: Kayaking, rock climbing, bowling, skateboarding, camping,

Note: Money is never needed for any of the field trips that we take. Please do not send your child to camp with additional spending money on trip days or any other camp day. If they have cash of their own, our staff members will confiscate it and return it at the close of the day.

Charlotte Shuttle

We provide a daily shuttle to and from South Charlotte each day of camp. The shuttle is \$15 per child per week additional to the weekly tuition. There is a 5 camper minimum to operate the shuttle. If you sign your child up for the shuttle and there are less than five participants for that week, your money will be refunded and you will have to make different arrangements for travel to and from Camp each day.

Our shuttle location is in the Harris Teeter parking lot, located at the corner of 521 (Johnston Rd.) and Adrey Kell (in front of the Big View Dinner. Shuttle pick-up is at 7:30am and drop off at 5:45pm. The shuttle driver will have an emergency phone for parents who are running late. A \$5 per 5-minute late fee will be applied for parents who arrive 10 minutes late without notification. The fee will be applied after the initial 10-minute have expired.

4.1 Medications

Parents please check-in all medicines with the directors upon arrival into camp. ***No medications are allowed on a camper's personal belongings (with the exception of inhalers for some asthmatics).***

Camper medications are dispensed at lunch and snack times by directors or accompanying staff (unless otherwise noted). Please complete the "Medications" section of the registration form to ensure complete safety and correct instructions for use. **At the end of the session, leftover prescription medications must be picked up by the parent/guardian in the main office.** All unclaimed medications will be thrown away.

Campers who are not feeling well during the camp day will be brought to the main office for immediate attention. In the event that a serious injury or sickness affects a camper, immediate parental contact will be made and further medical attention will be decided from this point. **All prescription medications and/or hospital care during camp are billed to parents at the close of the camp session.** General medications and first-aid materials are provided at no cost. To ensure good health and ability to enter into normal camp activities, parents must complete the enclosed health history form. Accident insurance is not included in the camp fee. Camp is not responsible for eyeglasses that are lost or broken at camp.

Allergies

We have recently instated a **No-Peanut Policy** into our camp policies. Please note: We ask that all parents limit the amount of peanut based foods or products that may come in contact with peanuts or tree nuts in your child's lunch each day. If you bring in a special snack for your child's birthday or special occasion, we ask that you bring something that is peanut-free. We will not have any snacks, art activities or Canteen products that contain peanuts.

4.2 Behavior Policy

Your camper's safety is our highest priority. Camp Canaan has designed a series of rules and procedures to help insure the safety of each camper and the overall quality and experience for every camper. Please be sure to review our "Camper's Commitment" on our website to review the rules and policies here at camp. Our process of discipline is made known to each camper each week and consists of the following steps:

1. A verbal warning is given to the camper
2. If the problem continues, a 10-minute time out is given
3. If the behavior continues, that camper will be exempt from at least one, not to exceed three activities that day. A work detail might also be given to the camper at the director's discretion. Notification of bad behavior and the action to resolve will be recorded on an Incident/Accident Report and a copy will be given to the parent.

If the problem continues, a parent/ camper conference will be scheduled with one of directors to resolve the problem. Children who do not demonstrate appropriate behavior, in the judgment of the directors, will be sent home from camp. If parental contact is made two times within a session that child will be removed from camp. Early dismissal from camp will not warrant the refund of fees.

4.3 Emergency Action Plan

Because of the unique nature of the camp property being an island in the Catawba River Basin, we have an designed an All-Hazards Emergency Action Plan (EAP) that has been approved by the York County Planning & Development Office and Duke Energy Corporation. All directors and staff are trained and knowledgeable of the specifics of the plan, which identifies proper communication steps and protocol for emergency situations including accidents, loss of life, evacuation and terrorist threats.

Additionally, all directors, staff and personnel are CPR- first-aid and AED certified. Adventure program facilitators are trained and certified in their specific adventure sports. To review a detailed copy of the EAP please contact the main office- info@campcanaan.org.

4.4 Financial Policy

A Parent or Guardian must sign to be Financially Responsible when registering your child(ren) for camp. This person commits to fulfilling all payment requirements during the summer season. Please review the Cancellation and Change of Date Policies (which are available online as well).

Cancelation/ Change of Date Policy

A **\$50 non-refundable registration deposit per camper** is required to reserve a spot for your child. This deposit only applies to the tuition balance for Early Bird registrants. In the event of withdrawal, the only refundable portion of the camper's tuition would be any additional payment toward the cost of the weekly session. Withdrawing a camper from the summer programs must be done in written form (transmitted through the post, fax or e-mail) by **June 7, 2011**. No refunds will be made after **June 15, 2011, whether for withdrawal or session changes or paid balances**, except in the event of documented physical illness of the camper, and that, in such an event, 50% of the unused portion of the tuition will be refunded. The balance of the camp fee is due one week prior to the week of camp your child will attend.

If a change of camp weeks is requested, it must be made no later than one-week prior to the desired week of camp in written form (transmitted through the post, fax or e-mail). Change of Date will only be approved if there is an available spot for your child during the desired week of camp. If spots are not available and an appropriate change cannot be made a refund can be administered in accordance with our policy.

4.5 Parental Release

The safety, protection and well being of your child are our greatest concerns and our highest priority while they are here at camp. Understanding that the nature of outdoor activities and sports assumes a high-risk for accident and injury, we have developed the most comprehensive and efficient policies and procedures for preventing these incidents from happening and responding to them quickly when they do happen. Please review a complete release which is available online and in our Registration Form.
